

Arts Spiritoso

The mission of the Arts Spiritoso Series is to present opportunities for art, dance and classical music in the area. We strive to have several concerts and art shows each year. Through this series, we seek to experience and glorify God's presence.

Admission to the events is free. Love offerings are taken with 90% going to the artists and 10% going toward the church's Faith Addition. Receptions after each concert are held in the church's atrium to the Faith Addition. Concerts can be held in the sanctuary, chapel, Faith Center or Youth Arena.
